Financial Aid and Tuition

Learn about tuition costs and available solutions

Figuring out how to pay for college can be daunting. But thanks to the recent passage of the [Ensuring Continued Access to Student Loans Act of 2008](#), you may qualify for additional funds to help finance your education.

To find out about available options, all you need to do is apply.

We'll help you get started:

1. Find out the costs of your [tuition by the state in which you live](#).
2. Learn more about various types of tuition assistance, including [loans](#), [grants](#), [scholarships](#), and even [tuition reimbursement](#).
3. Research other Financial Aid websites: (we've provided some links to get you started).

Notes:

- A** Usability feedback suggested that students misunderstood the yellow shading to mean "required fields." In this wireframe, yellow shading indicates that the fields are Google auto-fill fields. Programmers should ensure that appropriate fields are enable for Google auto-fill.

Although all fields on the form are required, usability feedback strongly suggested the use of asterisks to indicate required fields. To increase the completion rate of this form, there is a statement that indicates that all fields are required, as well as asterisks on all fields.
- B** The calls-to-action are different on the Request Information page. The main call-to-action, Request Info, was excluded because users are on the Request Information page.
